The Path of Divine Magnitude: A 21-Day Spiritual Attunement to Bethor, Spirit of Jupiter

An elite remote initiation into power, expansion, and celestial favor—guided by the Olympic Spirit of Bethor and sealed by the Masters of the Terra Incognita Coven

You were not called here by chance. Forces beyond the visible world are already aligning in your favor. You are reading this because you are ready to rise—and Bethor has taken notice.

Bethor is one of the Seven Olympic Spirits, a sovereign force governing the Jovian current of divine order, sacred abundance, noble protection, and exalted timing. For centuries, kings, magicians, and prophets have worked with his current to gain favor in the eyes of destiny. His power does not trickle. It flows in tides—elevating those who are aligned, truthful, and ready to be seen.

Bethor's Gate: The 21-Day Initiation of Jovian Expansion

This is your moment to **enter his current**, receive his mark, and permanently attune your spiritual body to a higher plane of influence, grace, and direction.

This is not a course. This is a transformation.

The **Bethor 21-Day Initiation** is a private, distance-based ritual path. Across three sacred weeks, you will engage in a structured, daily spiritual practice designed to rewire your subtle anatomy, unlock Bethor's frequency within your field, and allow the forces of divine alignment to begin working actively in your life.

Your part is disciplined and direct:

- **Duration:** 21 consecutive days without interruption
- **Daily Practice:** Watch Bethor's sigil and recite a sacred four-word mantra in Rakh Enagh (3 repetitions, once daily)
- **Non-negotiable:** If a day is missed, you must begin again

This practice is not symbolic. It is **energetic surgery**. The mantra is a living formula. The sigil is a gateway. Each repetition invites Bethor's presence into the magnetic structure of your being.

You will not walk this path alone.

While you engage the daily current, the **Masters of the Terra Incognita Coven** will perform **seven remote high-ceremonial rituals** on your behalf. These operations—executed with precision on astrologically aligned dates—serve to:

- Open the gateways to Bethor's plane
- Shield you from conflicting energetic currents
- Anchor the attunement safely into your energy system

- Fortify the integration of spiritual magnitude in your personal timeline

This is a complete ritual ecology—silent, invisible, and immensely effective.

No tools are required. Only your will, voice, and sincerity.

Physical components are optional. However, initiates who wish to deepen the sensory and ceremonial quality of the experience may build a Jupiter-aligned altar and use a consecrated oil blend designed to attract Bethor's favor. Complete instructions will be provided.

The integrity of this initiation lies in **your consistency and spiritual posture**. Bethor does not attune to those who seek shortcuts, emotional volatility, or self-deception. He grants protection, guidance, visibility, and advancement only to those who demonstrate readiness to hold such power responsibly.

Once completed, this initiation cannot be undone. You will carry Bethor's current forward in your auric structure for life. The benefits do not fade—they unfold. Those aligned with Bethor often report:

- Unexpected recognition or promotion
- Divine timing in career, finance, or partnerships
- Heightened intuition in decision-making
- Entry into protected timelines
- Energetic removal of obstacles without confrontation
- Visibly enhanced confidence and spiritual sovereignty

This is **not a spell**. It is a bond. Once established, it becomes part of your spiritual

infrastructure.

Bethor's current does not create from nothing—it **expands what is already seeded within you**. If your intentions are pure, if your direction is aligned, and if your readiness is real, he will magnify your path with grace and acceleration.

But he does not reward those who play with power. To receive Bethor is to commit to clarity, discipline, and right action.

If you are ready to rise—not by effort alone, but by **spiritual recognition**—then your gate is now open.

This is your appointment with divine magnitude.
This is the 21-Day Initiation of Bethor.

Secure your attunement. Begin the transformation.
