Spirit of Hidden Truth, Shadow Purification, and Sovereign Flame

A 21-Day Spirit Initiation Course with Daily Mantra & Coven Support

You are not lost—you are only unrefined. The mirror is not your enemy. It is the fire that tells the truth without burning your soul.

Carnatiel is the spirit for those who are ready to stand fully in their truth—not to be judged, but to be liberated. He is the Flame of Silent Judgment, the sovereign keeper of the Hidden Flame, whose presence exposes deception, dissolves karmic

fog, and initiates the soul into radiant alignment.

This 21-day initiation is not a performance. It is a sacred unfolding. Through mantra, flame, and the remote support of Terra Incognita Coven masters, you will enter a chamber of inner mirrors—and exit as the version of yourself that was never hidden from the spirit world.

Carnatiel offers no theatrics. He offers clarity. He will not fight your shadow—he will light it until it reveals its sacred origin. The result is not self-destruction, but inner sovereignty.

□ **Why This Course?**

- You feel the presence of unseen dynamics but can't name them.
- You sense you're being lied to—by others or by yourself.
- You want to purify without punishment.
- You've begun awakening, but shadows are slowing your clarity.
- You are ready to speak your sacred no and live your sovereign yes.
- You do not seek drama. You seek truth.

This is the path for empaths, visionaries, and spiritual guardians who want to see without distortion and act from an inner core of flame-born truth. Carnatiel is your ally in revealing the authentic current beneath the masks—yours and others'.

□ The Journey: Course Structure

This sacred attunement is composed of 10 professionally crafted lessons, each one building upon the last. You will not merely read—you will remember, integrate, and ignite.

1. Who Is Carnatiel?

The eternal observer, the one who watches karmic tides flow and distills clarity from chaos. In this lesson, you'll meet the essence of Carnatiel and his domain within the Hidden Flame—a realm where judgment isn't punishment, but revelation.

2. Archetype - The Flame of Silent Judgment

Understand the deeper current of Carnatiel: fire that purifies without sound. He is the sovereign witness, the internal heat that refines rather than destroys. This is the flame of monks, mystics, and firewalkers.

3. Powers of Carnatiel

Over ten active powers await your attunement:

- Karmic pattern exposure
- Hidden motive detection
- Shadow acceptance and integration
- Sacred boundary strengthening
- Energetic lie detection
- Psychic armor refinement

- Clarity in soul contracts
- Fire-assisted dream purification
- Inner alignment with truth
- Flame-based aura cleansing

Each power awakens as you advance through the 21-day cycle, guided and reinforced by the coven's remote work.

4. Altar Setup (Optional)

Minimalist and symbolic: black obsidian for shadow, raw salt for truth, a mirror for reflection, and a small red candle for the sovereign flame. The altar is not decorative—it is a container of energetic alignment.

5. Sacred Oil Recipe (Optional)

Formulated to awaken inner fire and dissolve illusion:

- **Myrrh:** for divine truth
- **Black Pepper:** for purification
- **Cedarwood:** for grounding clarity
- **Patchouli:** for shadow embrace
- **Almond Oil Base:** for solar plexus awakening

Anoint your temples or pulse points during meditation for amplified results.

6. User Cases

Discover how initiates have transformed:

- A trauma therapist who gained the ability to discern energetic lies from clients—without needing words.
- A mystic who finally integrated her repressed anger into a sacred boundary.
- A judge who used Carnatiel's current to remove personal bias in emotionally complex trials.
- A business leader who revealed deception in a merger—before contracts were signed.

7. Meditation Before Starting the Cycle

You enter a chamber of flame-lit mirrors, guided to sit with your unfiltered self. You are not here to fix or change—but to witness. This is your sovereign reckoning with who you truly are, without self-defense or judgment.

8. What Is an Initiation?

Carnatiel's initiation is not a reward. It is not an escape. It is a process of sacred unmasking. You do not become something else—you release everything you are not. Truth is not gained. It is uncovered.

9. The Initiation (21 Days)

Daily mantra recitation:

- **Once per day** before Carnatiel's sigil
