- **Weak personal boundaries** – Some practitioners are easily manipulated in relationships. Asmodeus enforces dominance and sovereignty. Example: a sensitive person once drained by a partner's constant demands described feeling strong enough to set limits after invoking him.
- **Struggles with addiction** – Whether substances, behaviors, or relationships, addiction is a chain. Asmodeus burns chains with fire. Example: one initiate struggling with compulsive habits reported sudden freedom after repeated petitions to his current.
- **Lack of magnetism or charisma** – Many feel invisible in social or romantic spaces. Asmodeus ignites presence. Example: a man who described himself as “awkward” reported strangers turning to notice him after using petitions of erotic magnetism.
- **Confusion in relationships** – Emotional signals can feel unclear or deceptive. Asmodeus grants piercing sight. Example: a practitioner once unsure of their partner's sincerity invoked him and later discerned the truth behind their words.
