Gusion is the Revealer of Truth, the Arbiter of Clarity, and the Demon of Undeniable Knowing. He does not deal in illusions or comfortable half-truths. His gifts arrive sharp, clear, and unrelenting. For the one who dares to face their truth and see the future without filters, these tools have been forged and awakened.

Each item—the **Altar Tile**, **Amulet**, and **Ring**—has been ritually charged by the Masters of World of Amulets through verified spirit invocation and energetic transference. These are not decorative tokens. They are alive with Gusion's current and ready to serve their function the moment you receive them.

▣ Altar Tile of Gusion

Reveal. Anchor. Call.

The Altar Tile of Gusion serves as your fixed point of clarity. Inscribed with the sigil of Gusion and consecrated under ritual fire, it acts as a steady channel to the spirit's presence. This is the base from which revelations emerge.

Set it on your altar to draw Gusion near. Use it beneath readings, petitions, or meditation to heighten your ability to discern what is hidden or misaligned. In the presence of this tile, lies tend to unravel. Delusions collapse. What is *real* begins to shimmer through the veil.

Ideal for:

- Anchoring truth-based rituals

- Enhancing divination or spirit communication
 - Cutting through confusion, doubt, or misinformation
-

☐ **Amulet of Gusion**

Truth That Walks With You

This amulet is a vessel of lucid knowing, activated to resonate with Gusion's energetic field and sealed to your own. When worn, it supports the wearer in making decisions with heightened discernment and receiving intuitive insights that bypass ego distortions.

Charged by the Masters, the amulet is designed for daily use. It gently rewires perception—making you less susceptible to manipulation, more attuned to unseen motives, and highly responsive to synchronistic truth-signs in your environment.

Ideal for:

- Making life decisions with calm clarity
 - Strengthening intuitive judgment
 - Avoiding deception from others or the self
-

☐ **Ring of Gusion**

Voice of the Oracle. Mind of the Seer.

Gusion's ring is an awakened seal of psychic command. It grants the wearer the capacity to speak and perceive with the precision of prophecy. Whether you are

conducting readings, guiding others, or navigating your own path, this ring empowers you to *know*—and to be heard.

Consecrated in ritual alignment with Gusion's planetary hour and spirit keys, the ring opens a direct cognitive bridge to the demon's domain. It does not force knowledge—it *summons* it, placing you in the current of foreseen possibilities and hidden truths.

Ideal for:

- Psychic readings, counseling, or truth-telling work
- Interpersonal conversations where discernment is crucial
- Accessing timelines and future potentials

✂ **Ritual Activation by the Masters**

Each tool is not merely created—it is brought to life. Through verified rituals performed by World of Amulets' high initiates, every item is:

- Consecrated in Gusion's energetic current
- Sealed with invocation and energetic imprint
- Charged for immediate spiritual use—no extra activation needed

From the moment it arrives, the tool is already tuned to resonate with your intention, your practice, and Gusion himself.

□ **A Triad of Access — One Current, Three Channels**

Each tool can be used individually or as part of a full triune configuration:

- **The Altar Tile** holds the field.
- **The Amulet** links your aura to the spirit.
- **The Ring** activates your voice and clarity of will.

Together, they open a sovereign circuit of truthwork—grounded, mobile, and expressive. Perfect for advanced practitioners and serious seekers alike.

□ **Limited Energetic Batches — Charged Only in Aligned Cycles**

Because these tools are only activated during Gusion's aligned spiritual cycles, **availability is limited**. The Masters only perform these rituals in specific windows, and once the current batch is gone, the next will depend on planetary and spiritual timing—not demand.

Do not wait for your truth to be convenient.

◆ **Begin the Work. Let Gusion Reveal.**

Truth is not always gentle, but it is always necessary. Gusion does not flatter. He frees. And through these tools—prepared with exactitude, power, and ancient protocol—you can walk with the kind of clarity most never dare to face.
