The Grimoire of [Malphas](#) - The Winged Seal of Watchful Iron

The Struggles You Face—and How [Malphas](#) Resolves Them

- **Fear of hidden betrayal** - Many seekers worry about those who smile in their face but work against them in secret. [Malphas](#) exposes deception. Example: one practitioner invoked him and soon discovered a coworker undermining them, confirmed by later office gossip.

and the Architect of Hidden Strongholds

- **Feeling spiritually vulnerable** – Sensitives often describe their energy as “porous,” easily disturbed. [Malphas](#) builds psychic fortresses. Example: a medium once plagued by intrusive visions reported immediate calm after invoking his shielding petitions.
- **Difficulty protecting ritual space** – Many practitioners feel watched or disrupted during rites. [Malphas](#) cloaks and seals. Example: one student described the sudden disappearance of distracting noises during ritual after calling his current.
- **Struggles with energy drains** – Some feel exhausted after social interactions or ceremonies. [Malphas](#) filters and strengthens the field. Example: a healer once drained by clients reported feeling refreshed and untouched after invoking him before sessions.
- **Threats of malice or spiritual attack** – Whether from people or unseen forces, initiates often feel targeted. [Malphas](#) reverses these currents. Example: an initiate described a neighbor’s hostility suddenly collapsing after invoking him, with no confrontation required.
- **Unclear loyalties in groups** – Many struggle to see who is trustworthy in teams or circles. [Malphas](#) clarifies group bonds. Example: a practitioner once uncertain about coven dynamics invoked him and immediately felt clear intuition about who could be trusted.
- **Fear of surveillance or spying** – In an age of both physical and psychic watching, many feel exposed. [Malphas](#) disrupts surveillance. Example: a student worried about astral monitoring during rituals reported a sudden sense of privacy and safety after invoking him.
- **Struggles with oath-breaking or dishonor** – Promises made and broken harm trust. [Malphas](#) enforces oaths. Example: a practitioner described invoking him before a pact and seeing the other party uphold the agreement in surprising fidelity.

[Malphas](#) resolves these struggles through **discipline, fortification, and**

revelation—ensuring the initiate stands secure, alert, and unshaken.

Who Can Use This Course?

The Grimoire of [Malphas](#) is designed for those who must navigate deception, protect their energy, and establish strongholds of trust.

- **The Sensitive or Medium** - Example: an empath easily drained in social situations used [Malphas](#)'s shielding petitions and finally felt "sealed in iron," no longer overwhelmed by others' emotions.
- **The Ritual Magician** - Example: a ceremonial worker plagued by disturbances during rituals invoked [Malphas](#), and the space became cloaked in silence, protected from intrusion.
- **The Leader or Organizer** - Example: a coven leader uncertain about members' loyalties used [Malphas](#)'s petitions and received clarity about hidden agendas, protecting the group.
- **The Spiritual Healer** - Example: a healer constantly absorbing clients' negativity invoked [Malphas](#) and reported finally filtering energies without harm.
- **The Individual Facing Hostility** - Example: a practitioner dealing with ongoing gossip at work invoked [Malphas](#) to reverse malice, and the hostility stopped without direct confrontation.

Because this course is **available in over 100 languages**, it is open worldwide to all seekers—occultists, leaders, sensitives, healers, and anyone seeking protection and clarity.

The Powers of [Malphas](#)

[Malphas](#)'s dominion is protection, fortification, revelation, and oath-binding. His current is that of the **winged architect of iron strategy**.

- **Fortress Construction** - Builds psychic strongholds. Example: one practitioner invoked him and described their aura feeling like a fortress of stone, unbreakable.
- **Betrayal Exposure** - Reveals hidden enemies. Example: a student discovered a false ally through sudden clarity after invoking [Malphas](#).
- **Reversal of Malice** - Sends harmful intent back to the source. Example: hostility from a neighbor ended abruptly after his current was invoked.
- **Oath Enforcement** - Ensures promises hold weight. Example: a pact partner upheld their side faithfully after ritual with [Malphas](#).
- **Psychic Cloaking** - Shields rituals and energy. Example: an initiate felt entirely "invisible" during a vulnerable rite.
- **Energy Filtration** - Stops energetic drains. Example: a healer reported feeling stronger after sessions instead of exhausted.
- **Decoy Creation** - Diverts unwanted attention. Example: a practitioner under astral surveillance invoked a decoy and reported feeling untracked afterward.
- **Spiritual Fortification** - Strengthens presence against attack. Example: one medium described sensing an approaching hostile entity simply vanish.
- **Group Clarity** - Reveals loyalties and divisions. Example: a leader felt guided to reorganize their circle based on hidden truths.
