The Throne of Mammon: Wealth as a Spiritual Force

Mammon is more than a demon of riches. He is the Infernal King of Wealth, the Golden Sovereign who teaches that prosperity is not simply material accumulation, but the embodiment of power, value, and dominion. To walk with Mammon is to understand wealth as a **spiritual current**—a throne upon which sovereignty, authority, and alignment sit.

The *Attunement + Grimoire of Mammon* course is your guided entrance into his golden dominion: a structured journey into wealth as energy, ritual, and sovereignty. Through layered teachings, altar practices, and a disciplined 21-day attunement, you will align with Mammon not as a beggar seeking fortune, but as an

emissary commanding it.

Why Walk with Mammon?

Wealth is not numbers in a bank—it is **energy shaped into influence, confidence, and freedom**. Those who align with Mammon discover:

- **Redefinition of Wealth** – Money ceases to feel like a chase and becomes a natural extension of sovereignty. For example, initiates often notice that opportunities come more easily when they stop “seeking” and begin commanding from authority.
- **Inner Sovereignty** – Mammon dissolves scarcity programming. A student plagued by fear of never having enough may, after attunement, find themselves negotiating with unshakable confidence.
- **Strategic Opportunity** – Mammon’s current sharpens foresight, helping practitioners recognize the right investments, connections, or business moves before others see them.
- **Alchemy of Debt into Credit** – Many initiates report shifts in financial flow: unexpected forgiveness of debt, new streams of credit, or sudden relief in long-stuck financial matters.
- **Magnetic Authority** – His influence radiates presence. Business negotiations tilt in your favor, investors respond more positively, and others perceive you as commanding value.
- **Spiritual Wealth Codes** – Beyond money, Mammon governs influence, personal empire-building, and the sovereignty to command loyalty, contracts, and resources.

Mammon's throne is not built on greed—it is built on sovereignty. His current reveals that wealth is not taken, but commanded.

Inside the Course: What You Will Experience

Module 1 – The Throne of Mammon: Wealth as a Spiritual Force

Here begins the redefinition of wealth.

You will:

- Trace Mammon's **origin and role**—from ancient grimoires to modern demonolatry—as Infernal King of Wealth and Sacred Ownership.
- Explore his **archetype as the Golden Sovereign**: the power of command without begging, and the embodiment of wealth as spiritual force.
- Study his **role in personal empire building**, learning how his current extends beyond personal finances to influence, networks, and reputation.
- Examine **extended symbology**—gold, bones, lions, thrones, keys, temples—each a facet of his dominion. For instance, keys symbolize access to opportunities that remain locked to others.
- Learn **magical correspondences** for invocation: colors, metals, planetary hours, and gems that amplify his resonance.
- Engage in **guided rituals and sigil workings** that prepare you to meet Mammon not as concept but as presence.

By the close of this module, you will no longer see wealth as mere currency, but as

a **living throne** upon which intention, self-worth, and sovereignty sit.

Module 2 - The Temple of Command: Preparing for Demonic Prosperity

Before wealth can flow, the vessel must be prepared. This module aligns the initiate with inner worth and outer readiness.

You will:

- Perform **energetic purification** to remove scarcity residue—rituals designed to dissolve inherited poverty programming. For example, many report sudden release of guilt around money or fear of financial authority.
- Construct **Mammon's altar** using gold, black, bone, and obsidian—materials that symbolize permanence, wealth, and infernal power.
- Consecrate and activate **Mammon's seal**, establishing a spiritual gateway through which his current flows.
- Learn the **ritual tools of wealth work**: coins as symbols of liquidity, keys for access, contracts for binding pacts, and talismans to hold wealth currents.
- Study the art of **offerings to Mammon**: what to give a king who already has everything, and why such offerings are less about appeasement and more about symbolic recognition of sovereignty.

By the end of this module, you will have both the inner posture and the outer temple to invite demonic prosperity into your life.

Module 3 – Living Systems of Infernal Wealth

Wealth is not static—it is a living system. Here, initiates learn to cultivate prosperity as a sustained current.

You will:

- Master the **Four Pillars of Infernal Prosperity**—Value, Vision, Vortex, Vessel—and how each pillar supports enduring affluence.
- Craft and charge **wealth talismans**, infusing them with demonic current to magnetize prosperity.
- Perform **rituals for drawing opportunity**, ensuring doors open where once they were closed. For example, many report sudden job offers, collaborations, or financial windfalls after applying these practices.
- Invoke Mammon for **business, art, or personal projects**, channeling his current into creative or professional ventures.
- Forge **infernal contracts**—agreements with Mammon that exchange devotion for guidance, often resulting in clear paths of growth and influence.
- Learn to create and empower **servitors of Mammon**, spiritual constructs that carry his wealth current into daily life.

This module transforms prosperity into an ecosystem: a living, breathing network of choices, contracts, and energetic architecture.

Module 4 – Ritual and Command with Mammon

Here lies the art of commanding wealth. This is where the practitioner steps into

authority, invoking Mammon as emissary, not supplicant.

You will:

- Engage in a **guided meditation to meet Mammon** in the Chamber of Black Gold, experiencing his presence directly.
- Practice **directed breathing and posture of sovereignty**, aligning the body with his golden current.
- Perform the **Ritual of Command**, speaking requests to Mammon with authority.
- Learn **invocation protocols**—using flame, coin sigils, and offerings to open his channel.
- Recognize the **signs of arrival**: shifts in temperature, sudden heaviness in thought, psychic pressure, or tonal changes in your environment.
- Work with Mammon in **synergy** with other infernal benefactors such as Bune or Belial for expanded influence.
- Channel his current into **practical goals**:
 - **Wealth multiplication** through strategic timing and energy flow.
 - **Acquisition of rare assets** such as property, art, or influence.
 - **Financial foresight**—recognizing risks and opportunities ahead of time.
 - **Magnetic charisma** that attracts investors, allies, or patrons.

The Dominion of Gold – Power, Wealth, and Sovereignty with Mammon

- **Strategic domination** in negotiations, ensuring outcomes tilt in your favor.
- **Alchemy of debt into credit**—transforming burdens into resources.
- **Expansion of resource portals**—opening streams of unexpected income.
- **Immovability under financial pressure**, sustaining calm authority even during crises.

This module installs Mammon's current not just as presence, but as practical **command over wealth ecosystems**.

Attunement - The Pact of Gold

The 21-day attunement is the initiation that seals your pact with Mammon's golden sovereignty.

You will:

- Engage in **daily visualizations, sigil work, and ritual acts** designed to anchor Mammon's essence into your energetic body.
- Dissolve scarcity programming at the root, replacing it with an embodied sense of wealth consciousness.
- Establish **magnetic resonance with material and spiritual abundance**—a state where wealth becomes attracted to you rather than chased.
- Be supported by **seven remote rituals** conducted by Terra Incognita adepts,

each one amplifying and stabilizing your alignment with Mammon.

- Prepare your environment, body, and mind for ritual through structured guidelines that ensure continuity.
- Complete the cycle with the **Throne Installation Ceremony**, a ritual act of sovereignty where Mammon's current is seated within you as empire and dominion.

At the close of 21 days, the initiate stands not as seeker of fortune, but as **throne of wealth itself**—a living emissary of Mammon's dominion.

The Commanders of Mammon

Mammon's dominion is vast, his legions disciplined. Each commander beneath him embodies a distinct wealth current:

- **Sahruk - Liquidity Unbinding:** Governs the flow of cash and fluid assets.
- **Velmoth - Contract Dominion:** Ensures loyalty and enforcement in financial agreements.
- **Kharzun - True Valuation:** Reveals the hidden worth of assets, people, or opportunities.
- **Ossarek - Cycle Sight:** Grants vision into economic or personal wealth cycles.
- **Drazuth - Debt Transmutation:** Transforms financial burdens into leverage.
