The Dominion of Gold

Power, Wealth, and Sovereignty with Mammon

An Initiatory Workshop of Infernal Wealth and Energetic Empire

Overview

The Dominion of Gold is a complete, elite-level initiation into the mysteries of power, value, and sovereignty through the infernal force of Mammon—one of the most misunderstood and potent entities in the demonic pantheon. Far from being a mere demon of greed or accumulation, Mammon represents the divine principle of sacred ownership, magnetic command, and energetic dominion over the material plane.

This course is a transformational journey designed for advanced practitioners of
