### Walk the Armored Path of Truth: Andromalius

Andromalius is the Veilbreaker—the demon who severs lies, exposes betrayal, retrieves what has been stolen, and restores authority to those who have been wronged.

To align with him is to step into a current of uncompromising clarity, where deception collapses, thieves are unmasked, and truth becomes weapon and shield alike.

The course *Attunement + Grimoire of Andromalius* is a complete initiation into this current: preparation, 21-day ritual discipline, and a living arsenal of petitions designed to make his justice immediate and practical.
