Hagith, the Olympian Spirit of **Venus**, governs **love, charm, sensuality, and artistic inspiration**. Those who align with Hagith experience **enhanced attractiveness, deeper emotional connections, and an aura of irresistible charm**. This ritual is designed to **open your heart, awaken inner beauty, and strengthen your ability to attract love, admiration, and success in relationships**.

Whether you seek **romantic love, greater self-love, or artistic inspiration**, Hagith's presence will **infuse your energy with grace, confidence, and magnetism**.

The Best Time to Perform This Ritual

- **Friday at Sunset** – The day ruled by Venus, perfect for love and beauty rituals.
- **During a Waxing Moon** – Ideal for attraction, self-enhancement, and relationship growth.
- **Before a Romantic or Social Event** – To amplify your charm and presence.

Signs You Need Hagith's Influence

- You feel **unnoticed, unappreciated, or disconnected from your inner beauty**.
- Your love life feels **stagnant or lacking passion**.
- You want to **enhance your confidence and personal magnetism**.
- You seek **artistic inspiration and emotional expression**.

This ritual will **awaken the power of Venus within you**, making you more **alluring, charismatic, and emotionally fulfilled**.

Cleansing and Preparing the Space

Before invoking Hagith, cleanse your space of **negative emotional energy** and prepare a sacred atmosphere for attraction and beauty.

Steps to Purify Your Space:

1. **Smoke Cleansing with Rose or Jasmine Incense**
 - Burn **rose petals, jasmine, or frankincense** while moving **clockwise** around your space.
 - Say:
"Sacer locus amoris et lucis, meum cor aperitur."
(A sacred space of love and light, my heart is open.)
2. **Water and Salt Purification**
 - Mix **spring water with sea salt** and lightly sprinkle around your ritual area.
3. **Anointing the Body for Venusian Energy**

- Dab **rose oil, vanilla, or cinnamon** onto your **wrists, neck, and heart center**.

When you feel **relaxed, radiant, and centered**, begin the invocation.

Sacred Tools for the Ritual

Each item enhances **Hagith's influence** over love, beauty, and attraction:

- **Pink Candle** – Represents **love, attraction, and emotional warmth**.
 - **Green Candle** – Symbolizes **prosperity, fertility, and harmony in relationships**.
 - **Hagith's Seal** – Drawn on **parchment or a copper plate** (Venus' sacred metal).
 - **A Mirror or a Polished Copper Disc** – To **reflect your inner and outer beauty**.
 - **A Rose or Apple** – Sacred to Venus, used for **love blessings**.
 - **A Cup of Sweetened Wine, Honey Water, or Milk** – To offer as **a gift to Hagith**.
-

Invocation: Calling Upon Hagith, the Spirit of Venus

Light the **pink and green candles**, feeling their glow **soften your energy**. Hold **Hagith's seal** in your left hand and **place the mirror in front of you**.

Recite the following invocation:

*"Hagith, Regina Amoris et Venustatis,
Mea forma et anima fulgeant sicut stellae,
Omnes qui me vident gratia capiuntur,
Mea aura floret, meum cor aperitur."*

(Hagith, Queen of Love and Beauty,

*May my form and soul shine like the stars,
All who see me are captivated by grace,
My aura blossoms, my heart opens.)*

Let **Hagith's presence** surround you, bringing a **warm, glowing sensation** into your body.

Charging the Self with Venusian Energy

Step 1: Gazing into the Mirror

- Look into the **mirror or polished copper**.
- Whisper:
"Imago mea est imago amoris et luminis."
(My reflection is an image of love and light.)
- Gently touch your face and heart, visualizing a **golden-pink glow enveloping your aura**.

Step 2: Offering and Blessing the Rose or Apple

- Hold the **rose or apple** and **breathe deeply into it**, transferring your **intent for attraction, love, or beauty**.
- Place it beside Hagith's sigil as an **offering of devotion**.

Step 3: Sipping the Venusian Elixir

- Drink from the **cup of wine, honey water, or milk**, imagining it **infusing your voice and presence with charm and elegance**.
 - Say:
"Quidquid dico, quidquid facio, venustate perfunditur."
(Whatever I say, whatever I do, is filled with beauty.)
 - Feel your energy **becoming softer, yet more magnetic**.
-

Closing the Ritual & Sealing Venus' Blessing

To **seal Hagith's power within you**, follow these final steps:

1. **Blow out the green candle first** – balancing emotional and material energy.
 2. **Blow out the pink candle last** – sealing Venusian attraction and harmony.
 3. **Wear or carry a copper object** (jewelry, coin, or talisman) for **seven days** to retain Hagith's influence.
 4. **Repeat the mirror affirmation daily for a week** to reinforce self-love and confidence.
-

What to Expect After the Ritual

- **Increased confidence and self-assurance in social settings.**
- **A noticeable shift in how others perceive and respond to you.**
- **Deepened emotional connections and attraction** in romantic relationships.
- **A heightened sense of personal beauty and charm.**
- **A surge in artistic inspiration and creative expression.**

If self-doubt creeps in, repeat:

"Amor et lux me implent, nulla umbra me tangit."

(Love and light fill me, no shadow touches me.)

Sustaining Hagith's Influence

To maintain the effects of the ritual, incorporate these Venusian practices:

- **Surround yourself with beauty**—fresh flowers, perfumes, art, and music.
- **Wear pink, green, or copper jewelry** to enhance Venusian energy.
- **Take time for self-care and relaxation**, allowing yourself to feel luxurious.
