Preparation and Sacred Offerings

This ritual requires **focused intent and a clear vision for the business's success**. It should be performed **at the beginning of a new business cycle, before launching a project, or when breaking through financial stagnation**.

Gather the following sacred items:

- **A gold candle**, representing prosperity, success, and financial stability.
- **A key**, symbolizing the unlocking of new opportunities.
- **A piece of paper with the business's name written on it**, acting as a direct energetic link.
- **A bowl of salt**, for cleansing and removing obstacles.
- **A small mirror**, reflecting the business's success and future growth.
- **Incense of frankincense and cinnamon**, to amplify abundance and attract wealth.

Creating the Ritual Space

Choose a quiet location where you can focus without distraction. If possible, perform this ritual **within the business space** or near its financial records.

Place the **gold candle in the center of your altar or table**. Lay the **key and business name paper before it**. Position the **bowl of salt behind the candle**, forming a barrier between past obstacles and future success. Set the **mirror to reflect the candlelight**, symbolizing **expansion and prosperity multiplying**.

Light the **incense** and allow its smoke to **purify the space, dissolving all negative energy** that may be hindering business growth.

Invocation to Open the Gates of Prosperity

Hold the **key in both hands**, focusing on **unlocking success**. Close your eyes and **visualize the business thriving, sales increasing, and financial stability flowing effortlessly**.

Speak the invocation with authority:

“By the power of fire, gold, and light,
I open the gates to fortune bright.
Let wealth and success flow without delay,
Clearing all obstacles from my way.
By key and name, I claim my fate,
Prosperity enters, unlocking the gate.”

Feel **the energy shift**, as if a door is opening before you. You may sense warmth, a sudden clarity, or an intuitive **knowing that abundance is now aligned with your business**.

Sealing the Energy and Activating Business Growth

Take the **business name paper** and place the **key on top of it**, pressing them together as a symbolic act of **securing the new flow of prosperity**.

With the **mirror facing the candle**, say:

“As this flame burns, so does my success.
As this mirror reflects, so do my profits grow.
What was closed is now open,
What was blocked is now free,
By my will, this business thrives eternally.”

Leave the **candle to burn completely**, ensuring the energy is fully absorbed into
