Sovereign of Wealth: Invoke Bael for Prosperity

Introduction to Bael

Bael, one of the kings of Hell, reigns over the eastern realms and commands 66 legions of spirits. He appears in multiple forms—sometimes as a cat, a toad, or a human, and occasionally as a combination of all three. His deep, hoarse voice echoes through the void, carrying the weight of ancient knowledge. Bael is often associated with **prosperity through creativity**, offering financial success to those who seek it. Unlike spirits who grant wealth through immediate gain, Bael enhances strategic thinking, enabling individuals to **generate wealth through their talents, business ventures, and intellectual pursuits**.
