□ **Awaken. Align. Become.**

Welcome to Terra Incognita Coven—

A place where magic is real, spirits are alive, and you are more powerful than  
you've ever been told.

We don't offer information.

We offer **transformation**.

At Terra Incognita, every course is a **structured initiation into spiritual power**, designed to activate the dormant forces within you through **tested magical systems, direct spirit contact**, and **energetic attunement** that lasts.

## □ **What Makes Terra Incognita Unique?**

### ✦ **This is Not Just Learning — It's Real Initiatory Magic**

Each course is a **living current**, not just a lesson. When you enroll, you enter into **an active relationship with a spirit or magical current**, supported by ritual structure, sacred tools, and practitioner-tested methods.

You will awaken, align, and become—through systems built for real-world spiritual change.

### **Every Initiation Includes:**

#### □ **21-Day Initiation Ritual**

- A sacred cycle of daily mantra practice in **Rakh Enagh**
- Focused meditation on the spirit's sigil
- **7 remote rituals** performed by Terra Incognita's master practitioners on your behalf

#### □ **Permanent Spiritual Attunement**

Once completed, the connection is **permanent**. You become **energetically aligned** with the spirit's current. This is not temporary or symbolic—it is a **lifelong attunement**.

## ☐ **Explore the Four Course Paths**

### ☐ **Infernal Initiations — *Path of Power and Truth***

Work with the spirits of the **Ars Goetia**—not as chaotic forces, but as ancient allies of sovereignty, desire, and mastery. Each course unlocks a spirit's current through structured rituals and integration work.

### ☐ **Angelic Initiations — *Path of Light and Purpose***

Align with radiant beings of divine law and personal evolution. These initiations offer clarity, healing, protection, and spiritual discipline, ideal for those seeking both gentleness and deep transformation.

### ☐ **Spirit Initiations — *Path of Myth and Cosmic Order***

Engage with **planetary intelligences, Greek deities, and Elenchos beings**. This path opens attunement to cosmic wisdom and mythic resonance, designed for seekers ready to embody timeless power.

### ☐ **Magical Courses — *Path of Mastery and Application***

Develop the skills of the magician. Train in **sigil work, psychic development, ritual design, shadow integration, spirit fusion, and energetic mastery**. These courses are suitable for both beginners and advanced practitioners committed to real results.

## □ How It Works: Your 21-Day Initiation

Each course follows a **sacred and disciplined structure**:

- **Daily Mantra Practice:**  
Recite a 4–6 word mantra in **Rakh Enagh** three times daily while focusing on the spirit's sigil.
- **7 Remote Rituals:**  
Performed by senior Terra Incognita initiates to anchor your attunement.
- **Miss a Day? Restart Required:**  
The path demands commitment. **Every day matters.**
- **Permanent Attunement:**  
Completion results in a **lifelong energetic alignment** with the spirit or current.

Optional practices include altar work, sigil meditation, and sacred oil application—but the core initiation requires only your focus, intent, and presence.
