The **Ars Goetia Tarot** is a powerful divination tool that reveals deep spiritual insights and life path guidance through the energy of **multiple demons** rather than focusing on a single entity. This guide will help you **use the deck for various types of drawings**, from quick insights to complex spreads, without anchoring your reading to just one demon. Instead, this method allows the tarot to reveal **multiple demonic influences** at play in your life.

Each reading is structured to provide detailed information while maintaining a **dynamic and evolving interpretation** based on the different demons influencing your situation.

1. Preparing for a Tarot Drawing

Proper preparation is essential for accurate readings. This step ensures **clarity, spiritual alignment, and a strong energetic connection** to the tarot.

Step-by-Step Setup:

1. Set a Clear Intention

- Decide the **focus** of your reading—whether it's personal growth, decision-making, or spiritual insight.
- Instead of calling on a specific demon, **let the deck reveal the ones influencing your situation.**

- Example: Instead of asking, “What does Belial want me to learn?” ask **“What unseen forces are shaping my path?”**

2. Create an Energetic Space

- Light a candle (black for transformation, red for strength, purple for wisdom).
- Burn **incense** like myrrh, frankincense, or dragon’s blood to heighten the energy.
- Use a **demon-neutral sigil** like the Goetic pentagram instead of an individual demon’s sigil.

3. Shuffle the Deck with Full Awareness

- Hold the deck in your **dominant hand** and shuffle with a focused mind.
- Instead of directing energy toward a demon, let your **intuition guide you** in mixing the energies present in the deck.
- Stop when you **feel a strong pull to do so**.

4. Cut the Deck for Energetic Flow

- Use your **non-dominant hand** to cut the deck into three stacks.
- Reassemble the deck based on intuition, letting unseen forces guide the order.

5. Draw Cards from Right to Left

- This mirrors **natural spiritual energy flow**, where messages often unfold from an **external perspective (right) to internal realization (left)**.
- It prevents interference when working with inked sigils or drawn symbols during the reading.

2. Different Types of Drawings & Their Meanings

Instead of anchoring readings to a **single demon**, these drawings reveal multiple demonic influences shaping different aspects of your life. Each method is designed to provide unique perspectives and guidance.

A. One-Card Drawing (Quick Insight & Energy Check)

Best For:

- Quick guidance on **daily energy** or a pressing issue
- Yes/No questions with deeper context
- Identifying the **most relevant** demonic influence in a situation

How to Draw the Card:

- Shuffle and cut the deck.
- Draw **one card** and place it **face up** in front of you.

How to Interpret It:

- **Upright Position:** A clear and direct influence is present.
- **Reversed Position:** A blocked or hidden force is affecting you.
- **Demonic Energy:** Consider the demon's **powers and how they apply** to your situation.

Example:

Question: "What energy is currently shaping my career?"

Card Drawn: *Raum (Destruction & Change)*

- **Upright:** Major shifts or job changes are ahead—embrace them.
 - **Reversed:** Resistance to change is preventing necessary progress.
-

B. Three-Card Drawing (Past - Present - Future Spread)

Best For:

- Understanding **how a situation is evolving**
- Seeing the **hidden past influences, current forces, and future projections**
- Identifying **which demons have influenced different life phases**

How to Draw the Cards:

- Shuffle, cut, and **draw three cards**, placing them **from right to left**.

- Each card represents a **time phase**:
 1. **Right: Past influences** – Demonic forces that have shaped your situation.
 2. **Middle: Present state** – The current dominant energies at play.
 3. **Left: Future outcome** – The potential result if energies remain unchanged.

Example:

Question: “How will my personal growth unfold this year?”

- **Past:** *Andrealphus (Study & Mysticism)* – A period of deep learning.
 - **Present:** *Foras (Alchemy & Wisdom)* – You are actively applying what you’ve learned.
 - **Future:** *Seere (Speed & Manifestation)* – Rapid success is coming if you remain focused.
-

C. Five-Card Drawing (Demonic Forces at Play in Your Life)

Best For:

- Identifying **multiple demonic energies influencing a situation**
- Understanding **both visible and hidden forces**
- Seeking a **balanced approach to a problem**

How to Draw the Cards:

- Shuffle, cut, and **draw five cards**, placing them **from right to left**.
 1. **Current Energy** – What is shaping you right now.
 2. **Hidden Influence** – What is working behind the scenes.
 3. **Challenge/Difficulty** – The main obstacle you face.
 4. **Advice from the Tarot** – The best course of action.
 5. **Likely Outcome** – Where the situation is heading.

Example:

Question: “What unseen forces are shaping my spiritual path?”

- **Current Energy:** *Bael (Authority & Power)* – You are growing in personal strength.
 - **Hidden Influence:** *Orobas (Honesty & Loyalty)* – You may be tested for integrity.
 - **Challenge:** *Shax (Deception & Loss)* – Illusions may cloud your judgment.
 - **Advice:** *Buer (Healing & Balance)* – Seek equilibrium in your studies.
 - **Likely Outcome:** *Balam (Foresight & Strategy)* – A heightened level of intuition and power awaits.
-

D. Nine-Card Drawing (The Full Demonic Influence Grid)

Best For:

- A **comprehensive look at your entire life path**
- Seeing how **different demonic energies weave into different areas** of your experience
- Understanding the **hidden layers of influence over past, present, and future**

How to Draw the Cards:

- Shuffle, cut, and **draw nine cards** in a **3×3 grid**, placing them from right to left.
- The cards are read in **three layers**:
 1. **Top Row: Past influences** (Lessons & experiences).
 2. **Middle Row: Current state** (Where you are now).
 3. **Bottom Row: Future path** (What awaits you).

Example:

Question: “What is my greater life purpose?”

- **Past:** Haagenti (Transformation), Vassago (Foresight), Orobas (Guidance) – You have been developing spiritual gifts.
- **Present:** Andras (Chaos), Foras (Knowledge), Marbas (Healing) – You are currently experiencing both inner turmoil and wisdom.
- **Future:** Belial (Mastery), Astaroth (Deep Truths), Stolas (Cosmic Wisdom) –

Your destiny involves a **deep connection to hidden knowledge and power.**

3. Enhancing Your Readings

- **Journal Your Readings:** Write down the **cards, interpretations, and real-world confirmations** of their influence.
- **Use Intuition:** The tarot reveals more than words alone—**trust the emotions and visions it evokes.**
- **Review Over Time:** Look back at old readings and see **how demonic energies have evolved** in your life.

By following this method, you allow the **full spectrum of demonic energies** to reveal their influence, creating **a nuanced and evolving understanding** of your path.
