## 1. Preparing for a Tarot Drawing

Since the **Guardian Angels of the Kabbalah** operate on a divine frequency, preparing for your reading ensures **alignment with higher energies**.

### Step-by-Step Preparation:

#### 1. Set Your Intention

- Ask yourself: What divine guidance do I seek?
- Focus on a **clear and open question**, allowing the angels to reveal what is most needed.

- Example: Instead of asking, “Will I succeed?” ask **“What divine forces are guiding my success?”**

## 2. Create a Sacred Space

- Light a candle:
  - **White for purity and divine clarity**
  - **Gold for angelic wisdom and enlightenment**
  - **Blue for truth and protection**
- Burn **frankincense or myrrh** to purify the energy.
- Place a symbol of **Metatron’s Cube** or the **Tree of Life** nearby for alignment.

## 3. Shuffle the Deck with Divine Focus

- Hold the deck in your **dominant hand** and shuffle **while reciting a silent prayer or invocation**.
- You may whisper: *“May the celestial forces reveal what I need to know.”*
- Stop when you **feel a natural pause or a sense of guidance**.

## 4. Cut the Deck in Three (Symbolizing the Supernal Triad)

- Use your **non-dominant hand** to cut the deck into **three piles**.
- Restack them **intuitively**—letting divine forces guide your order.

## 5. Draw Cards from Right to Left

- This follows the **natural energy flow from the celestial realm to earthly manifestation**.
- It allows the messages to unfold in **divine order**.
