## **Flexible Payment Structures**

We recognize that initiates come from all walks of life, and we honor that spiritual commitment should not be delayed due to financial limitations. For that reason, every course offers **two distinct payment structures** to suit your needs:

### **Option 1: One-Time Purchase with Lifetime Access**

Perfect for students who want complete, unrestricted access from the start.

- Single secure payment
- Immediate access to the full course content
- Lifetime access to all materials, updates, and downloads
- No expiration, no renewals, no future fees
- Valid forever, with no time limits on your attunement or certification

This is the most popular option for spirit initiations, attunement-based training, and those who wish to proceed at their own pace without limitations.

### **Option 2: Monthly Payment Plan**

Ideal for students who prefer smaller, manageable payments while still accessing their spiritual training.
