TERRA INCOGNITA COURSES

Rhyan Hyroc

Awaken Fire. Radiate Power. Command Attraction.

A 21-Day Initiatory Workshop from the **Terra Incognita Coven**

What Is This Workshop?

“The Art of Desire and Seduction with [Sitri](#)” is a 21-day immersive initiatory path into **emotional magnetism, erotic sovereignty, and psychic charisma**, guided by the infernal spirit [Sitri](#), Prince of Flame and Emotional Fire. Through powerful rituals, daily mantras, symbolic activations, and energetic transmissions, you will **become the mirror, the magnet, and the flame**.

This is not theory. This is a transformation.

You will not learn how to desire. You will learn how to become desire.

Who Is [Sitri](#)?

[Sitri](#), the 12th spirit of the Ars Goetia, is a Great Prince of Hell who governs over **desire, beauty, seduction, and emotional fire**. He appears with the head of a leopard and the wings of a griffon—symbols of sensual grace and primal power. His influence awakens the **flame of attraction** and grants mastery over one’s own erotic and emotional energy field.

In this workshop, [Sitri](#) becomes more than a name—you will **merge with his current** through structured attunement.

What You Will Gain

- **Magnetic Presence:** Awaken the emotional fire that draws others without effort
 - **Erotic Empowerment:** Burn away shame and reclaim sensual sovereignty
 - **Verbal Seduction & Influence:** Speak with power that touches the heart and stirs the body
